

House shown in Pearl.

Featuring a heavy-duty panel thickness and substantial design upgrades, Berkshire Classic delivers style and strength beyond ordinary vinyl siding.

QUICK SPECS:

Nominal Thickness: .044"

Windload: Laboratory tested to withstand windloads up to 199 mph*

Texture: Hardwood

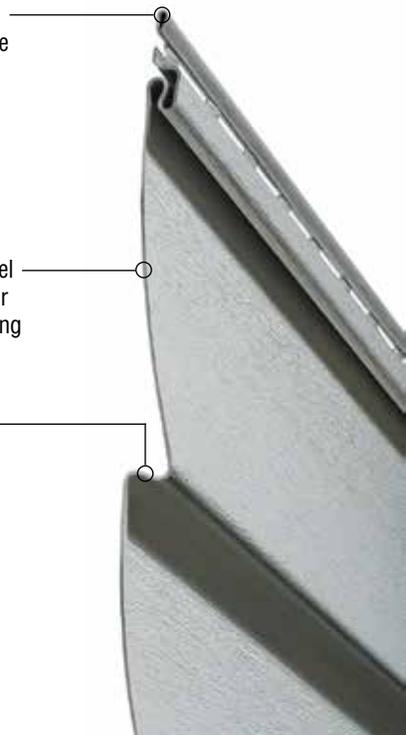

Rolled Nail Hem Berkshire Classic is fortified with a rolled nail hem† for extra-strong wall attachment. In laboratory tests simulating hurricane-force wind conditions, Berkshire Classic withstood windloads up to 199 mph.*

PowerLok Infrastructure Technology The PowerLok locking system works double time – reinforcing the rigidity of the siding and keeping panels secured firmly together for crisp, clean wall lines and a markedly superior installation.

Durable .044" Panel Thickness Handsomely crafted with a rugged .044" panel thickness, Berkshire Classic promises enduring protection and beauty for your home. The low-gloss finish and subtle hardwood texture will stand up strong to harsh weather and keep its luxurious appearance year after year with very little upkeep.

Extra-Deep 5/8" Butt Height You may not realize it, but the siding's butt height creates shadow lines that add dimension and style to a home. The deeper the butt height, the more dramatic the shadow lines appear. Berkshire Classic's generously proportioned 5/8" butt height will convey the perfect measure of beauty and refinement, while also fortifying the integrity and strength of the siding.

PUT YOUR HOME IN OUR TRUSTED HANDS

Revere delivers the confidence and value only a true leader can provide. We proudly stand behind our products with the full faith of our more than 50 years of expertise and some of the strongest warranties in the industry. Our voluntary participation in rigorous certifications and independent testing are further assurance you have made an excellent selection for your home.

ENVIRONMENTALLY FRIENDLY

Eco-friendly and sustainable, Revere vinyl siding helps conserve natural resources often used for home construction, such as cedar and other wood. And because vinyl never needs to be painted, it eliminates the use of paint, stain and other maintenance-related products that can harm the earth.

A LIFETIME OF PROTECTION

Berkshire Classic premium vinyl siding is backed by a lifetime limited, non-prorated, transferable warranty with hail protection and lifetime fade coverage. For complete warranty information, including limitations, ask your dealer for a copy of the Revere vinyl siding warranty.

INDEPENDENTLY TESTED AND CERTIFIED

As tested in an independent program sponsored by the Vinyl Siding Institute, Berkshire Classic has earned ASTM D3679 certification, the industry's highest standard for quality.

Pertains to Berkshire Classic premium vinyl siding. Consult the VSI website at www.vinylsiding.org for a current list of certified products and colors.

DETAILS THAT MAKE THE DIFFERENCE

Accentuate the architecture of your home with TrimEssentials by Revere® exterior trim and accessories. Exquisitely crafted window and door surrounds, fluted lineals, corner posts and other accents – as well as decorative shakes and scallops – will give your home personality and style.

YOUR NEW LOOK STARTS HERE

Whether you want to just refresh or press the reset button – one of the most difficult aspects of home remodeling is choosing colors. How will the new products and colors look on your home?

Revere's MyDesign Home Studio® takes the guesswork out of the design process. This easy web-based design tool lets you instantly create a variety of exterior designs with options for siding, trim, roofing, front door paint, exterior window colors and more.

- Design-ready with a gallery of house images; access it from any device and start designing
- Explore exterior designs with colors and product options – print, save and compare
- Products, profiles and colors applied in each design are listed for easy reference

Start with a creative spark! We can help with design ideas, color combinations and much more. Visit www.reverebuildingproducts.com and click on MyDesign Home Studio to get started with this exciting and inspiring design tool.

COLOR MATCHING MADE SIMPLE

No need to settle for siding and trim that “almost match.” Our Color Clear Through® collection of customer-preferred colors ensures that all Revere products – siding, soffit, fascia, trim and rainware – will beautifully match throughout our vinyl, aluminum and steel product lines.
