Revere delivers the confidence and value only a true leader can provide. We proudly stand behind our products with the full faith of our more than 50 years of expertise and some of the strongest warranties in the industry. Our voluntary participation in rigorous certifications and independent testing are further assurance you have made an excellent selection for your home.

ENVIRONMENTALLY FRIENDLY

Eco-friendly and sustainable, Revere vinyl siding helps conserve natural resources often used for home construction, such as cedar and other wood. And because vinyl never needs to be painted, it eliminates the use of paint, stain and other maintenance-related products that can harm the earth.

A LIFETIME OF PROTECTION

Centennial Beaded vinyl siding is backed by a lifetime limited, non-prorated, transferable warranty with hail protection and lifetime fade coverage. For complete warranty information, including limitations, ask your dealer for a copy of the Revere vinyl siding warranty.

INDEPENDENTLY TESTED AND CERTIFIED

As tested in an independent program sponsored by the Vinyl Siding Institute, Centennial Beaded has earned ASTM D3679 certification, the industry's highest standard for quality.

Pertains to Centennial Beaded premium vinyl siding. Consult the VSI website at www.vinylsiding.org for a current list of certified products and colors.
